### DEAR FRIENDS,

It has certainly been an interesting year at the Carroll County Arts Council! The fiscal year began last July with great optimism. We launched our first-ever Season Pass; had an exciting, diverse and vibrant series of programs scheduled; and were looking forward to a banner fiscal year!

We kicked off the season by presenting Peter Yarrow, of Peter Paul and Mary, to a sold-out crowd. We had great performances by favorites like The Fabulous Hubcaps, the Eric Byrd Trio, Teelin Irish Dance, and more. We broadened our horizons and delighted our audience by introducing some new acts to our stage, including Troy Engle and Southern Skies, Arte Flamenco, LEA, and Aztec Sun. We had another successful Festival of Wreaths over the winter holidays.

And then programming came to a screeching halt on March 13, 2020. We were forced to cancel the remainder of the 2019/2020 season due to the COVID 19 pandemic. As I write, the galleries and gift shop are open, but our theatre remains closed.

However, I am so proud of our staff and board, who have kept the momentum going even through the pandemic. We quickly re-tooled the PEEPSHOW to be virtual, transitioned the "Thread" exhibit from the gallery to an online format, and put summer camp in a box. In the midst of the upheaval, we also debuted a new website that is more functional, versatile, and engaging with new pages that highlight Public Art and Past Exhibitions. We continue to look for innovative ways to bring the arts to you in the safety and comfort of your own home.

I also immediately threw myself into the grant process to ensure that the Arts Council would weather the severe financial impact of COVID. We secured a federal Paycheck Protection Program loan of \$71,600 and received a \$5,000 grant from the Carroll County Rebound Program. We're also in the running for a \$50,000 grant from the Maryland State Arts Council. These generous funds will help offset our losses this season and keep our staff employed!

Last October, we held a successful fundraiser to renovate our theatre. Through a matching grant of \$60,000 from the Maryland Heritage Areas Authority, we raised the funds to do the \$120,000 construction project. This was originally scheduled to take place in July and August of 2020. Due to the pandemic, we managed to get an early start on the project, which should now be complete by September of 2020. We can't wait to invite you back into the building to see it!

I am a firm believer in the old adage, "when life gives you lemons, make lemonade." Despite being closed for over 3 months, the Carroll County Arts Council expanded our technological capabilities and found ways to reach deeper into the community. We intend to still offer online options well after the COVID crisis is over, adding another act to our repertoire.

Thanks to all who are members, volunteers, and patrons! Know that you are all valued and we can't do it without your help. If you are able, please continue to support us as we navigate this difficult time. You are the true stars of the Carroll County Arts Council, and we appreciate you! Take a bow!

Sincerely,

Judy Morley, Ph.D.  
Executive Director  
Carroll County Arts Council

## from the Board President

### DEAR FRIENDS OF THE ARTS,

This has been a most interesting and challenging year for the Arts Council! One year ago, we were planning our 50th Anniversary Event, preparing for the Festival of Wreaths, and looking forward to an exciting season of shows, movies, and art gallery exhibitions.

We had a very successful 50th Anniversary Event in October, with so many generous donors joining us for a delightful afternoon gala. Following that were successful executions of the Festival of Wreaths, Gallery of Gifts, a kazoo band in the holiday parade, FLICC movies, theatre shows, and all the other programs we love so much at the Arts Center. We were on track for another amazing year! No one could have imagined that the second half of our programming would be sidelined by a pandemic.

By March, the realities of COVID hit and we had to temporarily close the Arts Center and cancel our spring and summer programming. As a non-profit organization, we are successful in large part because of the day-to-day activities and programs. Having to cancel most of our activities over the past several months has been financially challenging, to say the least. Thankfully, Judy worked tirelessly to ensure the CCAC would have the funds to stay afloat.

Although we were closed for many weeks, the staff did not stop working. They have been so creative, positive, and focused on keeping the arts alive these last several months! They've curated online art exhibits, designed new t-shirts and calendars to help generate income, and launched a social media group to support local artists. And that's just to name a few!

We are so thankful for all that we have in spite of the many challenges that lie ahead. It has taught all of us the meaning of working together and rethinking what is possible. Art continues to be a universal language that binds us together, helps us stay positive, and uplifts us all.

Thank you for your continued support of the Arts Council. We hope to see more of you in the coming year. Until then – stay well.

Hope to see you at a show soon,

Kathy Mayan  
President  
Carroll County Arts Council Board of Directors

## Exhibits

Our first art exhibit of the new season, "The Art of the Musical Instrument," showcased instruments as handcrafted art pieces with unique histories and sounds. In a special crossover event, a variety of stringed instruments from the exhibit were then used in a concert on our stage by Celtic and Nordic music group, Wherligig! Two of the band's members are Ryan Koons, a guest curator for the exhibit, and his father, Ken Koons, a luthier who crafted several of the exhibit's stringed pieces.

The fall of 2019 was full of gallery favorites such as the 17th Annual Members Show and the Gallery of Gifts boutique. By January 2020, all three of our galleries were full with three different shows! The Tevis Gallery's "Consilience" featured abstract paintings made by members of the Frederick-based Be Dot Gallery. Our Director's Hall displayed "The Sights We See," featuring work made by the Sykesville Painting Club. Finally, the Community Gallery housed "Cultivate and Fabricate," an exhibit showcasing works made by Carroll County Public School art teachers. Thankfully, we managed to also celebrate Youth Art Month right before the COVID-19 shutdown!

## Art Classes

This year's class schedule was lighter due to the shutdown, but we did host two successful sessions of our children's art class, Make It and Take It. One of our more unique classes this past year was So You Think You Can't Sing, a popular vocal performance class for adults that set out to prove that *anyone* can learn to sing. Also, for the first time, we offered a one-day PEEP-sculpting workshop led by master PEEP sculptor, Vivian Davis. Participants learned a few tricks of the trade in anticipation for what turned out to be our Virtual PEEPshow!

## Festival of Wreaths

The 22nd Annual Festival of Wreaths auction in 2019 was a holiday hit, raising over \$20,000 for CCAC. Some of the festival's most memorable entries included wreaths made from a bicycle wheel, a drum, and a tractor tire! We also promoted the new Holiday Hopper punch card. Visitors who attended our Festival of Wreaths, Human Service Programs of Carroll County's Gingerbread Village Festival, and Shepherd Staff's Festival of Trees were entered into a raffle for various prizes!

## Bus Trips

In Fall 2019, we led two visits to the Barnes Foundation Museum in Philadelphia. A total of 96 patrons marveled at their collection of Impressionist, Post-Impressionist, and early Modernist paintings.

## Concerts

We saw so many audience favorites back on stage this year, like A Charlie Brown Jazz Christmas and Teelin Irish Dance Company. We also saw some brilliant new acts! Our 19/20 season started off with an incredibly memorable event: a sold-out evening of music from Peter Yarrow of Peter, Paul, and Mary. We also saw Maryland dance troupe, Arte Flamenco and Washington, D.C. "funk with soul" band, Aztec Sun. Musician LEA's MLK Day concert, "Songs of the Civil Rights Movement," was also one of the most moving events of the season.

## Bus Trips

This past January, our patrons took a bus trip to Arena Stage in Washington, D.C. for a performance of *A Thousand Splendid Suns*, the stage adaptation of the bestselling novel by Khaled Hosseini.

## FLICC

The Film Lovers in Carroll County (FLICC) screened some impressive, thought-provoking films this year. The 17th Annual Foreign Film Festival was a hit once again, featuring films from Iceland, Australia, and two from Lebanon. Most excitingly, the January Documentary Series had its most successful year yet! The most well-attended film in the series was *Honeyland*, the Academy Award-nominated doc profiling one of the last wild beekeepers in Europe.

## Children's Theatre

While our spring elementary school theatre production had to be canceled due to the pandemic, last November's middle school production of *Once on This Island, Jr.* was a vibrant, joyous show. It featured over 30 local youth in a story about the power of love over hate.

# highlights | Virtual Events

When we closed our doors in March 2020 due to COVID-19, we got to work developing engaging, dynamic virtual arts programming our patrons could enjoy from home. The arts are certainly what kept us together while we were apart!

## Virtual PEEPshow

One of the biggest disappointments to come from shutting our doors due to the pandemic was canceling the largest event in Carroll County, PEEPshow. Thankfully our “PEEPs” pulled together to make a Virtual PEEPshow possible! Our online version of this vital fundraiser featured 86 amazing entries and raised \$12,968 for the Arts Council. This was only a fraction of the funds an in-person PEEPshow usually raises, but considering how quickly we (and the community) had to adapt to a totally new format, it was quite the feat. The 1st Place Audience Favorite award went to Christian Twamley’s nine-foot long “Yellow Peepmarine.” Thanks to all the decorators and voters for making this virtual version a success!

## Online Catalog Exhibits

With our galleries closed, our Visual Arts Coordinator, Moriah Tyler, put together catalog exhibits that patrons could enjoy directly on our website. The first exhibit catalog, “Thread,” was a Call for Artists show that highlighted thread through a variety of media like quilts, paintings, photography, and mixed media. Our second exhibit catalog, “Quarantined: Creating While Stuck,” asked artists to submit pieces in any medium that were created during the COVID-19 pandemic. This show perfectly encapsulated that significant moment in time. Both catalogs can still be seen on our website’s new Exhibit Archive.

## Summer Camp at Home

Our in-person summer camp programs had to be canceled, but the Summer Camp Activity Box found a way to keep Carroll County youth creatively engaged at home! Developed by Moriah Tyler and Lindsay Sier (CCAC Theatre Coordinator), this box included supplies and video guides needed for various art, music, and theatre activities. Over 140 local kids aged 5-12 had these boxes shipped right to their doors.

## Carroll County Creates

To keep Carroll artists connected during quarantine, we launched Carroll County Creates, a Facebook group for local artists to share their work in a supportive, creative environment. Within this group, we did the Make Art Together Challenge. Every day in May 2020, a new prompt was posted in the group, encouraging members to interpret it through whatever medium they liked. The group has almost 280 members and counting!

## Scholarships

### • Tevis College Arts Scholarship

One senior from each Carroll County high school is awarded \$1,000 to pursue an arts major in college.  
 – **7 scholarships totalling \$7,000 total**  
 – The Class of 2020 recipients are pursuing majors in Video Game Design and Development, Instrumental Music Education, Musical Theatre, Theatre Education, New Media Design, Fashion Merchandising and Art, and Art Education.

### • Tom Holder Memorial Scholarship

Students in need may receive free or reduced tuition for CCAC education programs.  
 – **A total of \$465 was awarded to 5 students to participate in our arts activities.**  
 – Additional funds totaling \$300 went to paying for art instruction at the Boys and Girls Club.

## Grants

### • Community Arts Development (CAD) Grants

Large grants that support either the general operations of local arts organizations or help non-arts organizations complete arts-related projects.  
 – **13 grants totaling \$49,000**  
 – Two CAD Project Grants went to Carroll County Public Libraries to support digital arts programming and the Downtown Sykesville Connection to install new Main Street banners in Downtown Sykesville.

### • Arts in Education Grants

Small grants that support arts education experiences.  
 – **2 grants totaling \$250** went to Sykesville Middle School for artist workshops/clinics in their instrumental music program.

### • Mini-Grants

Small grants that support other various arts projects.  
 – **4 grants totaling \$3,237.50**  
 – One project supported by a mini-grant this year was the Players on Air production of *A Christmas Carol: A Musical*.

## Musical Instrument Bank

Our instrument bank takes old or unused musical instruments, repairs them, and then distributes them to band programs with students in need. Many people took time in quarantine to do some spring cleaning, leading to a spike in donations (13 instruments!) when our building reopened.

**THE CARROLL COUNTY ARTS COUNCIL IS GRATEFUL FOR THE SUPPORT OF OUR DEDICATED VOLUNTEERS.**

They help out by stuffing envelopes for mailings, scanning tickets and selling concessions at events, and many other essential tasks that keep the Arts Center humming. We really missed seeing their smiling faces during the shutdown.
