REVIEW PROCESS

All grant applications are reviewed by an independent committee comprised of CCAC staff and board members. The committee's recommendations are presented to the entire Board of Directors for final approval. If an applicant does not meet the eligibility criteria listed above, then it will not be considered for an award.

Eligible applications are evaluated on the following criteria:

- Commitment to mission
- Involvement in the community
- Fulfillment of artistic need
- Response to audience trends
- Financial strength
- Administrative efficacy

Each eligible organization will be granted a partial award based on its annual budget size. After review, the average of panelist scores will be used to assign a grade, which will determine the merit-based portion of the award. A portion of total CAD grant funds may also be allocated to an eligible organization at the discretion of the review panelists.

NOTIFICATION AND PAYMENT SCHEDULE

If awarded a grant, the applicant will be notified in writing by October 1. Following the signing of a standard “Grant Agreement Form” a check for 50% of the grant will be issued. The remaining payment will be released in March. **This payment schedule, as well as the amounts, are subject to receipt of funds from the Maryland State Arts Council.** Do not make expenditures in advance of CAD notification that you cannot cover with organizational funds.

A final report form, which includes both a narrative and budgetary information, must be completed and submitted by July 30 to be eligible for subsequent grants.
