About the Workshop

Create your superhero using the pre-printed prompts and then let your creativity fly! How did your hero come to be? What’s his origin story? Delve into the depths of what makes your hero tick and your comic will appear before your eyes!

We will be using our imaginations and creating our own characters just like story-writers and concept artists featured in the Animation Exhibit!

About the Movie

Bitten by a radioactive spider in the subway, Brooklyn teenager Miles Morales suddenly develops mysterious powers that transform him into the one and only Spider-Man. When he meets Peter Parker, he soon realizes that there are many others who share his special, high-flying talents. Miles must now use his newfound skills to battle the evil Kingpin, a hulking madman who can open portals to other universes and pull different versions of Spider-Man into our world.

Release date: December 1, 2018 (Los Angeles)

ICONS OF AMERICAN ANIMATION Field Trips

Bring your class of students to the Carroll Arts Center during our Icons of American Animation exhibit where they will get a tour of the artwork, create their own comic book during a workshop, and end the day by watching a movie in the theatre.

January 3 - March 12, 2022

91 West Main St, Westminster, MD 21157
Icons of American Animation is a major art exhibition that emphasizes the cultural/historical significance and artistic relevance of American animation. Spanning the 20th century, with over 150 pieces of original art, the exhibit promises to be one of the largest of its kind, with an emphasis on notable characters, films, animators, and production studios associated with both film and television. Designed as a dual-venue presentation, the art will be displayed concurrently at both McDaniel College and the Carroll County Arts Council.

SOME EXHIBIT HIGHLIGHTS
- Art representing 31 studios including Disney, Fleischer, Warner Bros., UPA, MGM, and Pixar, to name a few.
- Broad range of pieces that include animation cels, storyboards, model sheets, layout drawings, and concept art.
- Artwork from 15 Academy Award winner/nominee films.
- Artwork from 20 films listed in the Library of Congress’ National Film Registry.
