***Note to applicants: Being a camp counselor is not easy, and sometimes it is not fun, but we promise it is a great learning experience. Please do not apply unless you are truly interested in working with kids and doing everything you can to make sure our campers are safe and have fun. If you are simply looking to get out of the house, chat with your fellow counselors, or earn your community service hours in an "easy" way, do not apply. This may seem harsh since our counselors are just volunteers, but being upfront about our expectations will help us all avoid hard feelings later on.***

What experience have you had working with children? \_\_\_\_\_

Do you have any arts interests or special talents? \_\_\_\_\_
